

HARDY WOODLAND SERVICES

ENVIRONMENTAL POLICY STATEMENT

Hardy Woodland Services will strive to adopt the highest environmental standards and is committed to the protection of all elements of the environment which might be affected by its activities. It is also committed to anticipating and complying with any relevant environmental legislation.

Hardy Woodland staff are encouraged to support the Company in its commitment to protect all components of the environment that might be affected by operational activities and to suggest practical ideas for saving endangered species and minimising the disposal of waste.

Hardy Woodland Services operatives are encouraged to minimise the use of all materials, supplies and energy and, wherever possible, use renewable or recycled materials.

Hardy Woodland Services will adopt an environmentally sound transport strategy and continually assess the environmental impact of these activities. Furthermore, Hardy Woodland Services will consider the environmental impact of all purchases of goods and materials prior to ordering.
